The professional dispensing fee plus the current adjusted amount will total \$12.69.

APPLICABILITY

The information in this bulletin applies to the MO HealthNet (MHD) fee-for-service program and may apply to the MHD managed care program, as well. MHD's fee-for-service policies set the basic coverage policies for benefits and limitations in the managed care program. The managed care health plans have additional flexibilities in operating their respective programs such as determining which services require prior authorization, and details required for claims submission. Certain services, such as pharmacy, are "carved out" of managed care and will be paid through the fee-for-service program. To ensure your understanding of this bulletin's applicability to each managed care health plan, please contact your health plan directly, or contact MHD.MCCommunications@dss.mo.gov.
