CHANGES MADE TO PERSONAL CARE PROGRAM 13 CSR 70-91.010

The Personal Care Program provider manual is updated to reflect changes made to state regulation at [13 CSR 70-91.010](#), effective 8/30/23. The proposed amendment was published in the [Missouri Register March 15, 2023, Vol. 48, No. 6](#). The Order of Rulemaking with comments was published in the [Missouri Register July 17, 2023, Vol. 48, No. 14](#).

APPLICABILITY

The information in this bulletin applies to the MO HealthNet (MHD) fee-for-service program and may apply to the MHD managed care program, as well. MHD's fee-for-service policies set the basic coverage policies for benefits and limitations in the managed care program. The managed care health plans have additional flexibilities in operating their respective programs such as determining which services require prior authorization, and details required for claims submission. Certain services, such as pharmacy, are "carved out" of managed care and will be paid through the fee-for-service program. To ensure your understanding of this bulletin's applicability to each managed care health plan, please contact your health plan directly, or contact MHD.MCCommunications@dss.mo.gov.

[Provider Bulletins](#) are available on the [MO HealthNet Division \(MHD\) website](#). Bulletins will remain on the Provider Bulletins page only until incorporated into the [provider manuals](#) as appropriate, then moved to the Archived Bulletins page.

Providers and other interested parties are urged to [subscribe](#) to the electronic **MO HealthNet News** mailing list to receive automatic notifications of [provider bulletins](#), [provider hot tips](#), provider manual updates, and other official MO HealthNet communications via email.

The information contained in this bulletin applies to coverage for:

- MO HealthNet Fee-for-Service
- MO HealthNet Managed Care
