Fiscal Year 2019 Rate Increase for Behavioral Health

CONTENTS

- **Missouri House Bill 2011, Rate Increase**

Missouri House Bill 2011, Rate Increase

Effective for dates of services on or after July 1, 2018, the MO HealthNet Fee-For-Service maximum allowable rates are increased by approximately 1.5% for behavioral health covered procedure codes. These changes reflect increases that were appropriated for the Fiscal Year 2019 budget.

The affected procedure codes are listed on attachment A. A mass adjustment will be done for all claims paid for dates of service on or after July 1, 2018, that may process prior to the updating of the fee schedule.

Provider Bulletins are available on the MO HealthNet Division (MHD) Web site at <http://dss.mo.gov/mhd/providers/pages/bulletins.htm>. Bulletins will remain on the Provider Bulletins page only until incorporated into the [provider manuals](#) as appropriate, then moved to the Archived Bulletin page.

MO HealthNet News: Providers and other interested parties are urged to go to the MHD Web site at <http://dss.mo.gov/mhd/> to subscribe to the electronic mailing list to receive automatic notifications of provider bulletins, provider manual updates, and other official MO HealthNet communications via E-mail.

The information contained in this bulletin applies to coverage for:

- MO HealthNet Fee-for-Service
- Managed Care Services

Questions regarding MO HealthNet Managed Care benefits should be directed to the patient's MO HealthNet Managed Care health plan. Before delivering a service, please check the patient's eligibility status by swiping the MO HealthNet card or by calling the Provider Communications Interactive Voice Response (IVR) System at 573-751-2896 and using Option One for the red or white card.
