RATE INCREASE FOR BEHAVIORAL HEALTH SERVICES

- **MAXIMUM ALLOWABLE RATE INCREASE**

MAXIMUM ALLOWABLE RATE INCREASE

Effective for dates of services on or after July 1, 2019, the MO HealthNet Division (MHD) has increased fee-for-service maximum allowable rates by approximately 1.5% for covered behavioral health services. These changes reflect increases appropriated for the Fiscal Year 2020 budget.

Attachment A lists the affected procedure codes. The MHD will mass adjust claims paid for dates of service on or after July 1, 2019, that process prior to updating the fee schedule.

Provider Bulletins are available on the MO HealthNet Division (MHD) Web site at <http://dss.mo.gov/mhd/providers/pages/bulletins.htm>. Bulletins will remain on the Provider Bulletins page only until incorporated into the [provider manuals](#) as appropriate, then moved to the Archived Bulletin page.

MO HealthNet News: Providers and other interested parties are urged to go to the MHD Web site at <http://dss.mo.gov/mhd/> to subscribe to the electronic mailing list to receive automatic notifications of provider bulletins, provider manual updates, and other official MO HealthNet communications via E-mail.

The information contained in this bulletin applies to coverage for:

- MO HealthNet Fee-for-Service
- MO HealthNet Managed Care

Questions regarding MO HealthNet Managed Care benefits should be directed to the patient's MO HealthNet Managed Care health plan. Before delivering a service, please check the patient's eligibility status by swiping the MO HealthNet card or by calling the Provider Communications Interactive Voice Response (IVR) System at 573-751-2896 and using Option One for the MO HealthNet ID card.
