REHABILITATION CENTER SERVICES BULLETIN

- **RATE INCREASE FOR REHABILITATION CENTER SERVICES**

The MO HealthNet Division (MHD) is increasing rates for certain procedures in the Rehabilitation Center Services Program. The rates will go up by approximately 1.5%.

The rates will go up on July 1, 2019 (for dates of service beginning on July 1). MHD will pay the lesser of your usual and customary charge or the maximum allowable amount. You may not bill MHD more than you bill your private-pay patients.

The procedure codes affected and the new maximum allowable amounts are on Attachment A.

Providers that are contracted with managed care health plans should contact their plans with questions about managed care billing and reimbursement.

Provider Bulletins are available on the MO HealthNet Division (MHD) Web site at <http://dss.mo.gov/mhd/providers/pages/bulletins.htm>. Bulletins will remain on the Provider Bulletins page only until incorporated into the [provider manuals](#) as appropriate, then moved to the Archived Bulletin page.

MO HealthNet News: Providers and other interested parties are urged to go to the MHD Web site at <http://dss.mo.gov/mhd/> to subscribe to the electronic mailing list to receive automatic notifications of provider bulletins, provider manual updates, and other official MO HealthNet communications via E-mail.

The information contained in this bulletin applies to coverage for:

- MO HealthNet Fee-for-Service
- MO HealthNet Managed Care
