2020 HEALTHCARE COMMON PROCEDURE CODING SYSTEM (HCPCS)

Effective for dates of service on and after January 1, 2020, the MO HealthNet Division (MHD) requires the 2020 versions of the Current Procedural Terminology (CPT) and the HCPCS medical code sets. Providers should reference the appendix of the CPT and HCPCS books for a summary of the additions, deletions and revisions. For dates of service prior to January 1, 2020, claims must be billed with the 2019 version of CPT and HCPCS codes and modifiers.

HCPCS codes that were deleted by Centers for Medicare & Medicaid Services (CMS) for 2020 are not payable for dates of service January 1, 2020 and after and will be denied. Claims that are submitted and paid for dates of service January 1, 2020 and after using deleted codes may be recouped by the MHD. Providers may now resubmit/adjust claims for proper payment using the corrected 2020 HCPCS codes. If you have questions concerning how to submit a claim adjustment, please contact Provider Communications at 573-751-2896.

For MHD coverage information, including fees and restrictions, please reference the MHD Fee Schedule at: <https://dss.mo.gov/mhd/providers/pages/cptagree.htm>. Read through the License for Use of Physicians' CPT and select "accept"; then follow the directions given on the MHD Price List Search. The fee schedule will not be updated until mid-February after the HCPCS system updates are completed.

Provider Bulletins are available on the MO HealthNet Division (MHD) website at <http://dss.mo.gov/mhd/providers/pages/bulletins.htm>. Bulletins will remain on the Provider Bulletins page only until incorporated into the [provider manuals](#) as appropriate, then moved to the Archived Bulletin page.

MO HealthNet News: Providers and other interested parties are urged to go to the MHD website at <http://dss.mo.gov/mhd/> to subscribe to the electronic mailing list to receive automatic notifications of provider bulletins, provider manual updates, and other official MO HealthNet communications via E-mail.
