#### **2022 HEALTHCARE COMMON PROCEDURE CODING SYSTEM (HCPCS)**

Effective January 1, 2022, the MO HealthNet Division (MHD) requires the 2022 versions of the Current Procedural Terminology (CPT) and the HCPCS medical code sets when submitting a claim for reimbursement. Providers should reference the appendix of the CPT and HCPCS books for a summary of the additions, deletions and revisions. For dates of service prior to January 1, 2022, claims must be billed with the 2021 version of CPT and HCPCS codes and modifiers.

HCPCS codes that were deleted by Centers for Medicare & Medicaid Services (CMS) for 2022 are not payable for dates of service January 1, 2022 and after and will be denied. Claims that are submitted and paid for dates of service January 1, 2022 and after using deleted codes may be recouped by the MHD. Providers may resubmit/adjust claims for proper payment using the corrected 2022 HCPCS codes. If you have questions concerning how to submit a claim adjustment, please contact Provider Communications at 573-751-2896.

For MHD coverage information, including fees and restrictions, please reference the MHD Fee Schedule at: <https://dss.mo.gov/mhd/providers/pages/cptagree.htm>. Read through the License for Use of Physicians' CPT and select "accept"; then follow the directions given on the MHD Price List Search. The fee schedule will not be updated until after the HCPCS system updates are completed.

The 2022 version of the Current Procedural Terminology (CPT) and the HCPCS medical code sets apply to all Fee-for-Service and Managed Care enrolled providers.

**Provider Bulletins** are available on the MO HealthNet Division (MHD) (Formerly the Division of Medical Services) Web site at <http://dss.mo.gov/mhd/providers/pages/bulletins.htm>. Bulletins will remain on the Provider Bulletins page only until incorporated into the [provider manuals](#) as appropriate, then moved to the Archived Bulletin page.
