### **2022 CODE ON DENTAL PROCEDURES AND NOMENCLATURE (CDT) ADDITIONS/ CHANGES**

The MO HealthNet Division (MHD) requires the 2022 version of the CDT on all claims with dates of service on and after January 1, 2022.

The following 2022 CDT codes have been implemented:

<b>CDT CODE</b>	<b>DESCRIPTION</b>
D4322	SPLINT INTRA-CORONAL
D4323	SPLINT EXTRA-CORONAL
D5227	IMMED MAX PART DENTURE
D5228	IMMED MAND PART DENTURE
D5725	REBASE HYBRID PROSTHESIS
D5765	LINER COMP/PARTIAL REM DENT

Why are we notifying you of this change?

The American Dental Association's Council on Dental Benefit Programs for 2022 deleted certain codes. Those codes are not payable for dates of service January 1, 2022 and after. If you submit claims with those codes, MHD may recoup the paid amount. If that happens, you may resubmit/adjust claims for proper payment using the correct 2022 CDT codes. If you have questions concerning how to submit a claim adjustment, please contact Provider Communications at 573-751-2896.

For information regarding restrictions, limitations and reimbursement amounts, please reference the MHD Fee Schedule at <http://dss.mo.gov/mhd/providers/pages/cptagree.htm> and the Dental Provider Manual at this [link](#).
