PROVIDER RATE INCREASES

Pending CMS approval, effective for dates of service on or after July 1, 2022, the MO HealthNet Division (MHD) will increase the fee-for-service maximum allowable amount for the services listed in the June 30, 2022 public notice posted on the MO HealthNet website at the following link: <https://dss.mo.gov/mhd/alerts~public-notices.htm>.

The MO HealthNet Division (MHD) must receive Centers for Medicare & Medicaid Services (CMS) approval of the MHD State Plan Amendment (SPA) prior to all provider rate increases. Until CMS approves the SPA, MHD must pay providers the current approved rate. MHD will enter the new rate and mass adjust claims for dates of service on and after July 1, 2022, once CMS has approved the SPA.

APPLICABILITY

Managed Care enrolled providers should contact their Managed Care Organizations for questions regarding reimbursement.
