PROVIDER BULLETIN

Volume 45 Number 20 http://dss.mo.gov/mhd/ August 19, 2022

Outpatient Billing for Spravato

Applies to: All Hospitals Billing Outpatient Services

Effective date: September 1, 2022

- **Outpatient Billing for Spravato**
- **Applicability**

Outpatient Billing for Spravato

The MO HealthNet Division (MHD) does not cover procedure codes that include both a service and a drug. MHD has been covering a bundled procedure code in the outpatient setting that includes both the drug Spravato and post-administration patient care/monitoring.

Effective with dates of service on or after September 1, 2022, MHD will no longer cover procedure codes G2082 and G2083 in the outpatient setting. Hospitals must bill for the patient care/monitoring separate from the drug. Hospitals can bill for patient care/monitoring using procedure code G0463 and bill for the drug using the NDC and the appropriate HCPCS code.

Applicability

The information in this bulletin applies to the MO HealthNet (MHD) fee-for-service program and may apply to the MHD managed care program, as well. MHD's fee-for-service policies set the basic coverage policies for benefits and limitations in the managed care program. The managed care health plans have additional flexibilities in operating their respective programs, such as determining which services require prior authorization, and details required for claims submission. Certain services, such as pharmacy, are "carved out" of managed care and will be paid through the fee-for-service program. To ensure your understanding of this bulletin's applicability to each managed care health plan, please contact your health plan directly, or contact MHD.MCCommunications@dss.mo.gov.

Provider Bulletins are available on the MO HealthNet Division (MHD) website at http://dss.mo.gov/mhd/providers/pages/bulletins.htm. Bulletins will remain on the Provider Bulletins page only until incorporated into the provider manuals as appropriate, then moved to the Archived Bulletin page.

MO HealthNet News: Providers and other interested parties are urged to go to the MHD website at http://dss.mo.gov/mhd/ to subscribe to the electronic mailing list to receive automatic notifications of provider bulletins, provider manual updates, and other official MO HealthNet communications via E-mail.

Questions regarding MO HealthNet Managed Care benefits should be directed to the patient's MO HealthNet Managed Care health plan. Before delivering a service, please check the patient's eligibility status by swiping the MO HealthNet card or by calling the Provider Communications Interactive Voice Response (IVR) System at 573-751-2896 and using Option One for the MO HealthNet ID card.
