

Public Notice

Pursuant to the provisions of Title 42 Section 441.304(f), Code of Federal Regulations, public notice is given regarding the submission of the newly developed Brain Injury Waiver application. The Centers for Medicare and Medicaid Services (CMS) requires states to obtain public input during the development of a waiver, a waiver renewal or a waiver amendment with substantive changes. Stakeholders are being asked to provide public input and comment in order to allow Missouri to submit this waiver application. Please see complete draft of the waiver application on the MO HealthNet website under Alerts and Notifications at: <http://dss.mo.gov/mhd/>.

The MO HealthNet Division (MHD) and the Department of Health and Senior Services (DHSS) Brain Injury Unit (BIU) have developed the Brain Injury Waiver to provide Home and Community-Based Services to MHD participants with traumatic brain injuries who are between the ages of 21 and 65.
