Note: The figures above represent outcomes reported throughout the month. A Temporary Assistance (TA) participant may be included in one or more of the reporting categories during a given month. The process of drug testing TA participants involves a number of steps. For example, a participant may be referred for testing one month, scheduled to test the following month, and receive test results the month after being tested. Thus, results will not equal referrals in any given month.

Note: 1) Total expenditures do not include \$655,645.82

2) The number of eligibles enrolled on the last day of the month is a point in time count of eligibles active on that date.

3) Capitation information provides the number of unduplicated individuals for which a claim was paid/adjusted during the month.

4) Managed Care enrollment includes both current and prior period enrollment paid in this month. Enrollment may appear higher than previous reports due to prior period adjustments in the Managed Care rates.
