

Kenneth Kelly

Certified Warehouseman and Material Handler

Kenneth visited the Park Hills Job Center in February 2020. He had recently been released from Missouri Department of Corrections and was unemployed. Kenneth enrolled in SkillUP on March 9, 2020 and began warehouseman training through Training Access for Everyone (TRACE). He successfully completed the course on March 18, 2020. He earned the OSHA 10 Safety Certification, OSHA PIT Safety Certification and OSHA Operators License on Classes I, II, and III and is now a Certified Warehouseman and Material Handler.

Kenneth's instructor, Doran Clevenger, stated "Kenneth had a good attitude and worked well with others in the class. His attendance was good and he was prepared every day for the morning review. He was helpful to the other students in learning the materials. Kenneth is prepared and ready for employment and I would give Kenneth a good recommendation. Kenneth has good work traits and follows instructions well."

Kenneth began a full time position on March 20, 2020 with Proffer Wholesale Produce, Inc. as a Loading Supervisor earning a wage that he is able to support himself and is no longer receiving SNAP benefits.
